Interlopers

Minute of a Committee Meeting held on Thursday July 6th 1978

Present S. Balfour, F. Jolly, S. Mustard, R. Sloan, B. Stobie, S. Terry.

Apologies G. Ross, D. Muirg

1. Lothian O-League S.E. Area have accepted our offer to run the event on Feb 11th at Costorphine: Ray Hepworth organises, David Muirg plans, & Alistair Aitken controls.
2. Club training All agreed that no action was worthwhile till after the schools resumed. There should be more liaison between members of the club at the coming season of CATI - the experienced members should give help to the others. After October, Interlopers were welcome at Liberton High School on Thursday evenings for C.T. sessions - a street map & a school ground map were also available for use. After October, the club would/should organise some technique training days.
   Carol McNeil will be unavailable for the Junior chat session on Thursday 21st Sept as a final preparation for the junior championship event. Fiona Jolly ~~[illegible]~~ volunteered to help and David Muirg should now complete the arrangements.
3. Mapping Grant - our co-opted "mapping convenor" will deal direct with Colin Scott about obtaining grant aid.
4. Dunsmont / Roxburgh Revies Robin had not been able to contact Roxburgh about their taking over the Scottish Junior in 1979.
5. Trophy O-League Robin was continuing with enquiries and was optimistic about getting a trophy before our next meeting.
6. Highland 77 Money A proportion of the money should be kept aside to cover items necessary in the running of any worthwhile club e.g. float for entry fees, mapping, subsidy to junior tours, ~~[illegible]~~ losses on club entries to relays, any loss on events.
   A budget of £100 was suggested & Bob Stobie will investigate buying a second hand tent and timing clocks.
7. Twin Club Robin reported that Carol McNeil ~~[illegible]~~ was hopeful about twinning with Asker, a club to the west of Oslo.

8. Mapping Steve suggested that a project he was involved in at work would be suitable way of introducing members to mapping / field survey. The area was local & easily reached: Cramond / Silverknowes covering the foreshore & golf course. We agreed this should start this winter.

9. Badge Event Nov 19th 1979 Scott will write to Colin Type to see if he can help as controller. Dave Kershaw is preparing to contact the landowners & will keep a lookout for more suitable parking areas. All agreed that that it was necessary to commit & involve the helpers at an early stage. Dave will prepare an information sheet for distribution on the 24th September. The entry date will be 5th November. Dave will do his sums & finalise the entry fees - probably

	Pre	EOD
Snr	70	90
Jnr	40	50

All would be happy with the master map system, but Steve offered to overprint the maps. Steve also reminded us about the help he would need in planning. Bob Stobie offered to assist & the committee felt Graham White could give valuable help too. Still need to know if race is ranking for JK's Champs.

10. Next Meeting Thursday 5th October Jenny Ha's 7-30.

Agenda: 1. Matters arising (i) Duns Event / Roxburgh Revis
(ii) Trophy O League
(iii) Highland 77 Money.
(iv) Club training
2. Badge Event. Nov 19th.
3. Tee-shirt competition.
4. Lothian O-League. Feb 11th.
5. Club policy on relay entries w.r.t. dropouts & coordination.
6. Club, BOF non payers - affiliation

Scott Balfour.

Transport to events.
