INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

THIRD COMMITTEE MEETING, THIRD YEAR — JENNY HA'S, THURSDAY 5th. OCTOBER 1978 :1930.

Present : R.Stobie, F.Jolly, S.Mustard, J.Mitchell, D.Muiry.
Apologies : S.Balfour, R.Sloan, (G.Ross).

1. 1979 Junior Champs
The club may be overcommitted in 1979 with the Lothian O-League in Feb., the S.E. Area Champs in June, the Trossachs 79 event in August and the Junior Champs in Oct. A further problem is that Andrew Hewat expects to use Duns Wood for the schools in Feb.1980 and it may not be acceptable to hold two such similar events so close together in such an area. Scott had talked this over with Robin at length and had written out their convesation for the rest of the committee to discuss.
Briefly, there were these possibilities :-
   1. someone else take on the Junior Champs - however this means going back on our word as we volunteered before we knew of T 79.
   2. we could use Lanton Moor - this might need the date to be put back to avoid the bracken.
   3. we could use Bowhill, but we would need a map and there is not even a base map.
   4. we go ahead, map Duns and run the event.

After some discussion, it was decided that we are committed to these four events and that we should run them. After all they are fairly well spread out, the Lothian O-League does not require much and for the Junior we should provide the main officials and recruit local help from outside our club.
Scott has written to Iain Garrick explaining the decision of the club and requesting urgent decision on the venue for the Junior and suggesting that other areas could be used if necessary e.g. Happendon, Cademuir, Glentress or any suitable area for which a map is available.

2. Trophy Lothian O-League
Scott reported that Robin was trying to get a firm price from the craftsman in Roxburgh - the designs offered were good and original. The decision on the trophy and the rules governing its award will be left to the next meeting.

3. Highland 77 Money
Bob hadn't managed to get a tent or clocks. However when Bob was going over the substance of the meeting with Scott, Scott suggested two battery clocks he had seen and these have now been ordered and cost about £ 14 altogether.

4. Club Training
Fiona had held her talk before the Junior Event. Despite efficient and conscientious work by David Muiry, only four turned up. The course hopefully helped Jenny come 3rd in the Junior Champs.
The committee agreed that technique training was required and this would be left till the next meeting.

5. Badge Event - 19th Nov
Colin Tyre has kindly agreed to control. Dave Kershaw has excelled himself in persuading the last owner to agree to the use of his land. Info sheet has been distributed.
Bob reported that the loss on the Score Event was £60 - The SOA will bear twothirds of the loss and he is trying to extract this from them.

6. Tee shirt Comp.
There were five entries - full committee will decide the winner. The committee will also need to decide on the supplier - Scott had obtained another supplier with cheaper prices.

/7.

PTO

7. Lothia n O-League
David Muiry will write to Roger Coombs to check on the progress of the new map.

8. Mapping
The clubs lonely mapping convener bemoaned the sad lack of response to his pleas for help at Castle O'er (and indeed elsewhere)
Robin and Scott have since discussed this and your friendly neighbourhood pressgang will be calling round the members in the near future.

There is a SE mapping course in Dec. - this may encourage some activity.

9. Twin Club
Scott reported in his transcipt of the Robin Sloan tapes that Carol had told Robin that she was pleased with her progress and a 'three cornered' twinning is on the ca rds .

10. Geoff Peck Trust Fund
Geoff has suggested a fund to help finance the Juniors - details to follow at some later time.

11. Address List
Following the confusion and the disqualification of the W13 Team in the BOF Champs, Scott had suggested the the address list be slightly adapted to show who has paid their membership and the Status ot that membership. This is a similar system to the one he uses with Forth Canoe Club.The details are :

Nov N/L : carries the full address list for the past year
Jan N/L : no address list but a brief handwritten note at the top of the front page to remind offenders to pay up and return the form to Bob
March N/L : address list - embarassment sheet showing all the club who has not paid up.Unless'members' pay up, this is their last N/L.
April/May N/L : updated and scrubbed N/L issued.

The names and addresses of the few new members who join between May and October would be published in the N/L.

12. T 79
Scott has written to Gordon asking for developments,

NEXT MEETING
the suggested date is impossible for Scott.(I am heavily committed that evening to starting an indoor training programme at Liberton School and a Canoe Club pool session afterwards)

JENNY HA'S 7.30 Thursday 9th ~~October~~ Nov

scott balfour from
bob stobies notes.

PS. SE Area AGM Wed Oct 25th 8pm at the Pleasance.
Dave would appreciate some faces from Interlopers. He hopes the thought of beer (or soft drinks) will help.

PPS ~~Useful~~ USE FULL CONTACTS HWUOC T79
Kiernan O'Connell (at Holy Cross, helped organise Scottish Schools)
Anne Kildal.
