ORIENTEERING CLUB • EDINBURGH

FIFTH COMMITTEE MEETING, THIRD YEAR JENNY HA'S WED 14th Feb79

Present: S.Balfour, J.Mitchell, D.Muiry, S.Mustard. Apologies: R.Sloan + R.Stobie. S.Terry

A Newsletter

This was well in hand. Fred Trott had kindly volunteered to type, much to the relief of our ace typist Steve Terry. Sue would pass her stuff direct to Fred who would arrange that the stencils arrive at Scott B for final checking and addition of any items which arrived after Sue's deadline.
Due to one thing or another, the newsletter went out out much later than had been intended and everyone had to respond quickly to meet the closing date for entries to the British Relays and then the Scottish Relays. In general the response from club members was most encouraging and about half replied to the questionaire on Relays, T-79 and mapping/club weekend.

B Matters arising

Scotthad attended the the SE area meetings and had raised the handling of the Int. Trophy. It was prudent just to forget our offer!!

Highland 77 Money: no progress as Bob S was in London.

LOL Saltoun : Ray and the club in general had rallied round and provided an excellent competition. Scott would put a well done in the N/L.

Mapping: Scott had submitted the following projects to the SOA Mapping Convenor for consideration in the award of funds to get a Harvey Base Map: Pentlands, Silverknowes, Inch Park, Bow Hill, Laggan, and Portmore Loch, and Kirknewton.

Twin Club: Rumour has it that 20 juniors from Scandinavia are coming to T-79 Scott has obtained use of school bus for the week and Robin has increased our number of bookings at the Comrie Campsites.

C Mapping/Club Weekend

Arrangements and a provisional programme were discussed.
(following the poor response of only seven wanting to go, Robin + Scott decided later to cancel the weekend and leave members free to attend the N-Lights. Scott has contacted those concerned so that they might enter in time.

D. Beer + Skittles

John M. would contact ESOC and EUOC and invite them to come. Advertised in the N/L.

E. Film Night

Robin has obtained the film. Coffee will be laid on in the common room there. Scott will prepare some games to keep all and sundrie occupied.
(a very good turnout - popular and will be repeated. Peter Leach has offered to let us use the place again for club meetings. Only a few had time to try the Orienteering Skill Tests and Games which Scott had copied from Carols.

F. SE Area

Is now at Cademuir , near Peebles. Scott B to organise. Sue and Scott B to plan. Bill Gauld to control. Premission obtained for areas. Use of Peebles High School obtained. Start and finish areas to be fixed as soon as the snow goes.

G. Junior Champs

Mapping will proceed under the direction of Robin (Steve, Roger V, Scott B have offered to help. Others will be pressgamged to learn.
Organiser Peter Leach. Planner Hew Fraser. Controller Eddie Harvey.

PTO

AGM
This was fully discussed and eventually all agreed that the usual format would be better than an AGM at Pyatshaww -this was fortunate as we found later that so few intented to go to the club weekend.
Sue and John would look into possible venues and details would be available for the next meeting.

Team Entries
Scott agreed to coordinate the Scottish and British Entries.
the following teams have been entered. Some embarrassment may be caused as some of our better orienteers are now known to be around at the events but didn't respond to the questionaire.

British. Open Men. Robin Sloan,Scott Balfour,Ian Miller
Handicap. Stephen Hall,

Scottish. MA from Balfour,Terry,Fraser,Buffet,Mitchell,

MC from Stoddart,Hall,Wardlaw,Bisset,Muiry,
MD
WA McNeill,Ashmole,Inglis
WB Fraser,Mustard,
M35 Jones,Heyworth,Shiach
W15 Heyworth,Craddock,Muiry

SE Area Rep
Scott B would do this as he was in the best position to know what the club can handle and how best to keep all informed.

Badges Now sold out
Long Sleeved T-Shirts arrived in time for the club night.Most have gone except for a few 38/40 and more than a few 42/44 which certain gentleman found too big
