First Committee Meeting, Fourth Year Bramdean Rise July 3rd

Present : Hew Fraser, John Mitchell, Susan Mustard, Robin Sloan, Bob Stobie, Steve Terry.
Apologies : Scott Balfour , David Muiry, Katherine Shiach.

Scott had convened the meeting primarily to make the arrangements for the visit of the juniors from Pan OK Denmark. Unfortunately he was at present lying ill in bed and so it was decided not to tackle any other business.

Hew Fraser had accepted the role of Tour Coordinator and had been busy for some time. Since only one offer had come from a Scottish Host Family, it had been decided to abandon any attempt at hosting some but not all of the danes and Hew had obtained the use of Liberton Scout Hut from Sunday 29th July to Wed 1st August. The hut was not free for any other times and so Hew had booked places at Earnhill House, Forres. On the Saturday 4th Aug, the party would move to the trailer caravans at Comrie for the Trossachs 79 6-day Competition.

Hew had corresponded with the Danes and ensured that they understood that they would be self catering and would need to bring sleeping bags and lilos.

The following programme was outlined :

Sun 29 July	3.15	Collect Danes from Station and take to the Scout Hut.
	Evening	Barbeque/social at Bob Stobies.
Mon 30 July	Day	Sightseeing - some Int required as guides.
	7pm	Mitchell, Hall & Stoddart to arrange an O-Event in Edinburgh.
Tues31 July	Day	Sightseeing locally.
		Barbeque at Gullane.
Wed 1 Aug.	9am	Off to Eanhill House Outdoor Centre.
		Susan Mustard would contact Dave Ritchie and see ifMoravian Orienteers would help by running a small competition.
		Scott had the use of a minibus and would use this to allow the Danes some Highland Sightseeing.
		Roger Vandersteen would come too .
		Scott would make all necessary arrangements at Earnhill for the Tour.

Hew had written to all club members informing them about the trip and the programme and inviting all to participate.

All Int had been informed of camping arrangements at Comrie by Robin.

Developments
Scott got Roger to Bring another Transit to Comrie to assist in the Transport of the Danes and our own Juniors who would be staying there.
The Danes only used two Trailers at Comrie - to avoid paying £40 for not using it, Scott persuaded our Juniors to take it.
