INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

Minutes of the Committee Meeting ,Fourth Year 4 S.Balfours 7.1.80

All comm present.

1. Relays - Scott will put requests for runners in the next N/L - all should phone him. Club would decide on who should run if say four people had said they would run. Teams would be drawn from those who apply before the stated date in the N/L - late applicants could only fairly be given a place if an early applicant withdrew. Teams would of course be drawn up keeping in mind individuals wishes to run in 2nd team,etc or if three folk wished to run together.
   Scott would enter and coordinate entries for the Club Relay events like FVO. Again the onus was on the would-be runners to contact him.

2. JK Scott informed all that Roger Vander Steen had found a suitable campsite with trailer accommadation at Kippford.Details in N/L. Also £2.60 for a one-day entry. There would now be 3 starts.

3. Club Night: Scott would be unavailable to help at the 24th Jan when Martin Hyman would speak on Training for Ø. Hew offered to help on the evening.

4. Badge Event - Scott would write to Ian Hendrie and request a date - Glenearn and Berryknowe.

5. Mapping - wehad to submit requests for financialhelp to Colin Scott. The plot for Bowhill is held up because of industrial action.

6. Lagganlia - Carol had mentioned that Martin Hyman had been at Lagganlia and had reported that the Inshriach Map wasnot too good. The Club might consider spending a weekendthere and resurveying the map. Scott pointed out that the place was quite expensive and also involved about 280 miles travelling.
   Locally, we had been asked if we could redo Saltoun. Scott would ask Roger. Susan mentioned that Vogrie would need remapped but best left meantime as paths etc were being changed.
   The club would consider a mapping weekend late 80 but area should be local - e.g. Tyningham in E. Lothian.

7. Saltoun Letters from Gordon and Ray were read about costing for Saltoun. 30/60 was agreed.

8. Border run : Consider dates in June. Robin would coordinate and has done some route planning already.

9. Sponsor Event - John outlined the plan for the Sponsored run on Arthur Seat on 9th Feb. Scott would design and duplicate Sponsor Forms and John would handle arrangements on the day. For J.I.M. Fund.

10. T79 There was a brief discussion on the £100 profit and the quibbles from many clubs about the way the Overal Profit from the Event had been split up. Our comm felt that the principle was sound to hold back funds for the future 6-day events.

11. AGM After much discussion, the dinner and AGM will be held at JK on Sunday 6th April.

12. Reunion - Robin reminded all that it was the Clubs 10th Birthday and suggested we held some sort of reunion at the International at Dunkeld on 21st/22nd June 1980.

S Balfour.
