Minutes of last 2 meetings were rea d.

J.I.M. Fund.: John Mitchell reported that the run had now raised £145 and the raffle £16. There ha d been a loss on the Sweep at the JK but John was recovering this by selling "Pontoon Cards" at work. The money to be raised at the Sponsored Score on the 25thMay was discussed and we felt that the comm should decide at that time what proportion of the money raised should be put into the J.I.M. Fund.
Scott, Carol and Hew are to see to opening an a/c ; a Building Soc was recommended as there would be few transactions each year.
The three had to consider applications for help from Frances Ashmole, Stephen Hall, Gordon Stoddart and John Mitchell. The Comm hoped that the three would bear in mind the effort of the applicants in raising money for the J.I.M. Fund when awarding Funds.
The Committee felt that the Account to be opened should be transacted by any two signatures from Carl McNeill, Scott Balfour and Hew Fraser.

Border Run : Sat 14th June starting at Berwick about 0330 ! Robin will write to WFO to arrange for adjudication and prepare draft route plan. The next meeting would finalise logistics, transport, food, accommodation. Scotch Kershope has been booked for the Sat Night and it is hoped to continue to the Lake District Event on the Sunday. Cost for each participant would be £1 for the run and the club would pay for petrol and S/Kershope.
Robin, Carol, Scott, Ben, Gordon, Dermod, John M, all expressed interest and Gareth Buffett, Marjory Thoms, Hymans, Davi d Muiry, Pat Squires should be pressga nged. Hew offered to assist 'on the day' with coordinating.

Birthday Party : 22/23 June now seemed a dead loss with the arrangements for the International. Carol was investigating using Earnhill inthe Autumn and this would be a Club Weekend and Celebration.

Jogrie Social : John would check final arrangements with Susan. 7pm start. Will need coke rather than wood. Also ma ps for a wee Ø Compn.

Club Nights : Scott asked that all think about possible Talks, Films for the winter and a programme would be drawn up at our next Comm Meeting.
Scott would continue the indoor training on Thursdays and the Tuesday sessions on the meadows would probably be available as well.

Club money : Buying the tent was reconsidered and it was decided against. Club night expenses, eqipment, British Relay fees, help with travel in Britain for Bigger events could all be considered.
