8.00 S.Balfours
28th May 1980

Present : Meg Fraser, Hew Fraser, Gordon Shiach, Stephen Hall, John Mitchell, Robin Sloan, Scott Balfour.

1. J.I.M.Fund : Carol, Scott and Hew had met and they had made the following awards S.Hall £52, G.Stoddart £47, F.Ashmole £22, + J.Mitchell £ 27. This total of £ 148 was just over three quarters of that collected to date and a little more was expeeted to be given to the fund after the Squad sponsored score. Money for Hall and Stoddart Ø-Ringen Entry would be paid to S.Balfour. The awards reflected the contribution made to the club, the potential of the individual, their financial problems and their effort in raising funds.
The committee acknowledged the tremendous effort made by a few members in raising funds and particular thanks to John Mitchell for keeping the activities going.
We hope to run a Sponsored Hill Climb again next Jan/Feb. If the raffle is repeated we should use small prizes.

2. Border Run : Robin led a discussion on the routed and the problems in the logistics. Monday 9th June would be kept free for a meeting if Robin decided that one would be necessary. The Saturday night would be spent in the Border Regmon Centre at Scotch Kershope near Newcastleton : OS Sheet 79,525852. Robin would ask Steve Terry to collect the key - Robin pointed out that sheet sleeping bags would be required.
A new record has been set by SELOC of 18hours17min.
Robin would phone up those who have expressed interest and send them a b/w photocopy of their route and dtails of changeover point - each runner would need to provide themselves with a proper map for navigating their route. Robin would use his number as a contact phone where up to date report on progress could be maintained. Robin would do some careful studying of the route and draft out a battle plan and schedule.

3. Club Weekend : 6/7th Sept at Earnhill using Roseisle and maybe Culbin. Event on Sunday in the area. Scott Balfour in charge.

   11/12Oct Findhorn to coincide with the Scottish Junior.

4. Socials : John went over details for the barbeque at Vogrie and would ensure that Sue got maps OK and that fire arrangements were known. Small Ø event, Frisbee. Rounders were all planned and John would let EUOC and ESOC know again.

   Beer and Skittles planned for August and Sept (avoid Festival if possible)

4. G 81 : No organiser yet. Scott would continue to liaise with Ian Beck the coordinator.

5. Scottish 81 : Ray Heyworth had regrettfully declined to organise due to his commitment as SOA Membership Secretary. Scott had given Carol a deadline of 31st May to accept or reject our invitation for her to plan. Scott would continue to liaise with FVO and it was expected that Craig-y-Barns would be used after all.

6. Club Nights : "More 'Socials' in Autumn - more 'Training + Technique' in Spring" Visits to Map Library, Map Services, Mapping talk. Street event plus talk. Fun runs e.g. Traquair to Selkirk, Eildon Run. Programme would need to published in August.

NEXT MEETING : Wed 27th August S.Balfours 8pm.
