INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

FIRST COMMITTEE MEETING, SIXTH YEAR — WEDNESDAY 8th JULY 1981, 8-00p.m.

3 JUNIPER GARDENS, JUNIPER GREEN, MIDLOTHIAN.

Present: S.Balfour, H.Fraser, M.Fraser, J.Mitchell, K.Ovens, G.Ramsay, G.Shiach

1) The minutes of the last meeting were read out. There were no matters arising.

2) Badge event This is to be held at Gullane on 21st. Feb. 1982. Ray Heyworth is to be the planner but an organiser still has to be found. Geoff Ramsay was asked but he refused as he has no transport. He will ask Richard Horswill if he is willing to be the organiser, and if not, an appeal will be put in the newsletter. It was pointed out that access is difficult and that as Fiona McKean had already been involved with an event there, she should perhaps be approached for further details.

3) L-O-L We have been asked to do the Lothian-O-League on 25th Oct 1981. It was decided that Cademuir would be a suitable venue and that Ann Heyworth should be asked to plan. Roger VanderSteen was suggested as organiser.

4) CATI We have been asked to do the CATI at Cramond on 2nd Sept. 1981. John Mitchell to ask Ann Heyworth or Rona McCarthy to do this.

5) Training It was suggested that the ESOC Training Event at Binning on 11th Oct. should be publicised as a day when inexperienced orienteers could receive help from other club members. This is NOT envisaged as advanced technique training but rather as an introduction to the basics of the sport. It was pointed out that this was rather a long time away and that something could be done using the CATIs. It was suggested that someone should act as a contact person for each event. Their name and telephone number would be put in the newsletter, and they would have an Interløpers banner with them. Anyone wanting help would then know who to get in touch with. Meg Fraser offered to be this contact person for the Blackford Hill event, as did Scott Balfour for the Holyrood event, John Mitchell for the Cramond event, Ken Ovens for the Corstorphine event, and Gordon Shiach perhaps for the Beecraigs event.

6) Mapping The plot has been done for the Bow Hill map but Robin wants to pass the project on to someone else. Steve Terry and Douglas McKeith had both expressed an interest. It was pointed out that the owner is very commercially minded and we may have to show him that the existance of an orienteering map of part of his estate could bring him some income by, for example, the setting up of some form of permanent course.

7) Socials There will be a Beer and Skittles on Wed. 14th Oct. at 7-30p.m. in the Sheep's Heid. It was decided that arrangements should be made to go out for a meal on the Tuesday night of the Galloway week. It was also pointed out that we had been asked to help behind the bar at some stage during the week although the exact details were not known.

8) Galloway The maps will be available on Fri 17th July and it was proposed that a "bagging" session be held on the evening of Wed. 22nd at Hew and Meg Fraser's house. Help will be required on the day before our event to set things up but most people are already aware of this.

9) AOCB New forms to apply for Lothian Region Sports Awards available 1st Aug. and should be submitted to Scott Balfour by 14th Aug. Thanks to Ian Hendrie for organising the Scottish Champs. Congratulations to ESOC for setting a new record for the Border Run. The club champs. results were read out and it was pointed out that we still owe the South East Area £1-65 for this.
The next committee meeting will be on Mon. 14th Sept. at 8-00p.m. at Gordon Shiach's house; 4 Craigleith Rise. The newsletter deadline will be the end of the previous week.

The meeting closed at 9-35p.m.
