INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

SECOND COMMITTEE MEETING, SIXTH YEAR — MONDAY 14th SEPTEMBER 1981, 8-00p.m.

4 CRAIGLEITH RISE, EDINBURGH

Present: H.Fraser, M.Fraser, A.Heyworth, J.Mitchell, K.Ovens, G.Ramsay, G.Shiach
Apologies: S.Balfour

1) Minutes of the last meeting were studied. There were no matters arising.

2) Badge event (21/2/82 Gullane) Richard Horswill has agreed to be the organiser. Angus McLauchlan is to be asked whether he would be willing to act as controller.

3) L-O-L (25/10/81) At the last meeting, Cademuir was suggested as a suitable venue but it was later discovered that it is being used on 27/9/81. The venue for our event will now be Selm Muir. The event officials are: Organiser- Roger VanderSteen, Planner- Ann Heyworth, Controller- Ian Lamont. Ann has one colour proof of the new map to work on.

4) CATI We held a CATI at Cramond on 2/9/81 but this made no profit as the maps cost 20p each. Meg Fraser has not received any money from the previous event held there, and there was some doubt as to whether Dermod Ruddock still had it, or had used it to pay "Dunf" for the maps.

4) Bow Hill map Hew Fraser now has the plot. Douglas McKeith is still willing to do the mapping and Steve Terry is willing to help.

5) Socials John Mitchell suggested challenging ESOC to a football match to avenge our defeat at the barbeque. After some discussion this idea was abandoned. A club firework night was suggested for Thurs. 5th Nov. The Frasers stated that the field behind their house would be a suitable venue. John Mitchell is to buy the fireworks with money received from those people planning to attend. (£1.00 was mentioned as a reasonable amount) People to bring their own refreshments. Robin Sloan has expressed an interest in another Eildon Run. The 10th Jan. had been suggested but as this clashed with a Lothian-O-League event it was thought that the 17th would be better.

6) Training It was suggested that we could arrange a technique talk on a Wednesday evening followed by a chance to practise the techniques on the Saturday, prior to an event on the Sunday. Some people thought that this was too much for one week and that the Wednesday talk could be dispensed with. A technique talk could be given "on site" on the Saturday. The 24th Oct. (The day before our L-O-L) was suggested, with Corstorphine Woods as the best venue. Details could be circulated to schools, perhaps through the Lothian Schools O A. Hew Fraser to ask Scott Balfour or Ian Hendrie if they would be willing to organise this.

7) Newsletter Geoff Ramsay made a plea for more copy. It was pointed out that Hilary Smith had agreed to write about the Three Peaks Race. In order to save on postage it is proposed to give a number of newsletters to various people for distribution in their area. Geoff reported that he had been unable to trace Penny Fowler at the address in the club lists.

8) AOCB Kenneth Ovens agreed to attend the Galloway 81/Deeside 83 meeting on 3/10/81. After discussion it was agreed that Interlopers would vote in favour of putting the T79 profit into a central fund rather than distributing it to clubs along with the G81 profit. If we get the choice of which day to help with at D83, we should try to get the first day. Hew Fraser is to see Douglas McKeith about announcing results of questionnaire on the combination of Edinburgh clubs. The £1.65 still owed to the South East Area should be coming from Dermod Ruddock. The South East Area AGM will be held at 7-30p.m. on 28/10/81 in the Pleasance.
The next committee meeting will be on Mon. 16th Nov. at 8-00p.m. at Geoff Ramsay's flat; Top Flat Right, 21 West Maitland Street. The newsletter deadline will be the end of the previous week.
