INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

THIRD COMMITTEE MEETING, SIXTH YEAR — MONDAY 16th NOVEMBER 1981, 8-00p.m.

TOP FLAT RIGHT, 21 WEST MAITLAND STREET, EDINBURGH

Present: S.Balfour, H.Fraser, M.Fraser, R.Horswill, K.Ovens, G.Ramsay, G.Shiach
Apologies: A.Heyworth, J.Mitchell

1) Minutes of the last meeting were studied. It was pointed out that the £1.65 owed to the South East Area had now been paid. The training event on 24th Oct. was a limited success and similar events will be held before each Lothian-O-League.

2) Badge Event (21/2/82 Gullane) Richard Horswill reported that an advert had been put in SCORE at a cost of £10. Entry fees have been set at £1-30/60p for pre-entries and £2-00/£1-00 for EOD. Wayfarer entries will be 60p. It was commented that this was perhaps rather high for wayfarers. Jenny Pond is entries secretary. Permissions have been obtained although certain restrictions apply. Richard is to look into the cost of professional overprinting of the many major map corrections onto the entire remaining map stock (about 1000) and is to produce information sheets for local distribution. Scott Balfour agreed to bring the club stock of control cards up to the number required for the event. Richard asked about Robinsons orange juice and was told that applications for this should go to SOA.

3) Bow Hill We now have permission to map and use the area. Douglas McKeith intends to start the mapping soon. Robin Sloan has looked at the area and commented that it may not be good enough for a badge event and a three colour map may be enough.

4) Socials Geoff Ramsay is to phone Robin Sloan to confirm that 17th Jan. is suitable for the Eildon Run and to obtain detailed travel directions for the newsletter. A night street event was suggested. Scott Balfour agreed to organise this on Mon. 1st Feb. near his house, with starts from 7-30 to 8-00p.m. Torches will not be necessary but may be an advantage.
There was general discussion about various other possible activities such as swimming, Carol Singing, visit to the cinema etc. but no definite action was taken.

5) Training A club training weekend in Galloway on 13/14 March was suggested. This coincides with the Scottish Schools Champs in Dalbeattie.

AOCB Kenneth Ovens attended the Galloway 81/Deeside 83 meeting on 3/10/81. The allocation of events to clubs will take place at the next meeting.
The editor of SCORE will appear in the club address lists in future, although he is not a member. This is just to ensure that he receives a copy of our newsletter.
Thanks to Roger VanderSteen, Ann Heyworth, Ian Lamont for arranging a very successful event at Selmuir on 25/10/81.
Jim Doig has now moved to Aberdeen and joined Gramp. Although he was on our committee, there is no constitutional requirement to elect a replacement.
A new version of the club information sheet sent to prospective members has been produced with better details of the various categories of membership.
Kenneth Ovens read out a letter received from the treasurer of Parawanga Orienteers, an Australian club whose "running man" motif we adopted. He was hoping to swap maps and club T-shirts. Kenneth is to arrange this with him.
The next committee meeting will be on Mon. 18th Jan. at 8-00p.m. at Kenneth Ovens' house; 25 Craigs Avenue, Edinburgh. The newsletter deadline will be the end of the previous week.
