ORIENTEERING CLUB • EDINBURGH

FOURTH COMMITTEE MEETING, SEVENTH YEAR MONDAY 13th DECEMBER 1982, 8-00p.m.

41 SWANSTON PARK, EDINBURGH EH10 7BR

Present: S.Balfour, P.Hyman, I.Lamont, J.Mitchell, K.Ovens, G.Shiach, A.Spenceley, S.Terry, P.Woolverton.

1) Treasurer's Report The South East Area Champs. made a loss of £7-01 overall. The Lothian-O-League profit stands at about £70 at present but map costs, equipment losses and individuals expenses have still to be paid from this. The resulting overall profit will probably be about £25. There had been complaints at the S.E.Area committee meeting that our entry fees were too high at this event. It was pointed out that the fee for juniors was the same as that charged at the LINOC L-O-L at Beecraigs. The fees were set slightly high for a number of reasons. Firstly, there were a number of other events on the same day within range of Edinburgh so we were expecting a rather poorer attendance than we actually got. Secondly, we had just made a loss on the S.E.Area Champs. so we erred on the safe side this time. The resulting profit was not unreasonably large and this in itself is justification for the fees charged. G.Shiach to report this back to the S.E.Area.

2) Socials The combined Skittles Evening with ELO was a great success. There is to be an Ice Skating session on Wed. 12th Jan. People will be meeting at 7-30p.m. at the Murrayfield Ice Rink, or at 7-00p.m. in the Murrayfield Hotel. There is to be a Night Street Score Event on Wed. 2nd Feb. at 7-30p.m. from A.Spenceley's flat.
There is to be a Slide Evening on Wed 23rd Feb. at 7-30p.m. at K.Ovens' house. It is to be stressed that all these events are suitable for juniors.
A.Spenceley is to book another Skittles Evening at the Sheeps Heid.

3) Events The Training Day at Archerfield will be registered by K.Ovens and will appear in SCORE. A.Spenceley is organising and S.Balfour is willing to help planning some of the courses. It was agreed that it would be acceptable to use ribbons for controls.
The CATIs have been reorganised so that one week there will be an event in Edinburgh, then the next week there will be two events, one in East Lothian and one in West Lothian. The week after that would have an event in Edinburgh and so the cycle would repeat. A provisional list of events was read out. We agreed to put on a Colour Coded Event on Wed. 22nd June at Selmuir to complement the CATI series. K.Ovens agreed to plan provided that someone will help by putting the controls out on the day.
It was decided that we should hold a Badge Event on 30th Sept. 1984.

4) Maps Bow Hill mapping will start again next Spring. S.Terry agreed to deal with the revision and reprinting of the Glenearn and Berryknowe map. It was agreed that the Archerfield map does not really need revision. S.Terry is to contact R.VanderSteen about printing maps along with the new version of the Saltoun map. The newsletter is to mention the SOA mapping competition and encourage people to enter.

5) SOA The main points of the Fixtures Working Party Report were detailed and the full report is being ciculated round those members of the committee who expressed an interest. Any comments on the report should be given to K.Ovens.
The SOA has introduced 'SOA Only Membership' for 1983 only. This will entitle people to compete in events up to Club Standard in Scotland and to receive SCORE. An article about this has been put in the newsletter. K.Ovens stated that he thought SOA Only membership was a bad idea and that BOFs new membership scheme was quite acceptable. The rest of the committee agreed.

6) AOCB ESOC are trying to start a series of Saturday training events for beginners along the same lines as those which were run by Ian Hendrie.
Interlopers are quite willing to become involved in the Scottish Orienteering For All (SOFA) week, provided it does not affect people wishing to run in the Edinburgh Marathon that week.
CATIs will now start at 4-30 and will be run by the schools from 4-30 to 6-00pm when they will be handed over to a club. The club will then run the event for the next hour or so. We will be asked to be the club which takes over some of these events.
We have three new junior members. In an attempt to encourage them to become involved it was agreed to offer special junior prizes at the Street Score on 2nd Feb.
The secretary was asked to put an advert about the club in the CompassSport Club Information Section. This costs £3-00 for the year.

The next committee meeting will be on Monday 28th February 1983 at 8-00pm at Andy Spenceley's flat; 141(L) Liberton Brae, Edinburgh EH16 6LD.
