SECOND COMMITTEE MEETING, EIGHTH YEAR — MONDAY 6th SEPTEMBER 1983, 8-00pm

41A LOCKHARTON AVENUE, CRAIGLOCKHART, EDINBURGH

Present: Ken Ovens, Andy Spenceley, Pete Woolverton, Steve Terry, Robert Paterson, Dave Copland, Pete Couldrey

Apologies: Ian Lamont

1) Secretary's Report

B.O.F. is starting a membership drive with the aim of attaining 5000 members, known as the '5000 campaign'. As part of the campaign a package of leaflets has been produced for sale to clubs. We have received a sample. It was decided that we had no need to buy the package as we have sufficient information of our own.

Could all people with club books give the names of the books to the secretary so he can produce a book list.

2) Socials

A skittles evening has been booked at the Sheeps Heid on Monday 28th November.

There will be a slide evening at Ken Ovens' house at 8-00pm on 9th November.

It is hoped to hold a series of Street-O events on the 1st Wednesday of each month throughout the winter. The first events being:

October 5th	Liberton High School	4-30pm - 6-30pm
November 2nd	Andy Spenceley's Flat	6-00pm - 8-00pm
December 7th	Steve Terry's Flat	6-00pm - 8-00pm

Jon Musgrave is to be contacted by Pete Couldrey re. sports matches against the university. If there is sufficient interest it is hoped to arrange a curling evening.

3) SOFA week

The week was a qualified success with 150-200 participants. The numbers turning out for each event varied from 3 at Carlton Hill on Friday to 80 at Blackford Hill on Wednesday. New people did turn up though not in any great numbers. Discussions will have to be had with ESOC before deciding whether it is worth repeating.

4) Membership Forms

It was decided to revamp the current information and membership application form. Ken Ovens is to produce two new forms; one will concentrate on what orienteering is rather than on the club and will include a list of the next few events, the other form is aimed at juniors and will have an introduction to the club and emphasise that the club needs juniors for running in relay teams etc. Both leaflets will have attaching membership forms.

5) Events

Thanks to Roger Vandersteen, Ian Lamont, John Mitchell and all the helpers at Glen Tanar at Royal Deeside '83.

Interlopers are organising the Lothian O-League at Selmuir on 11th December. Dave Copland volunteered to plan, Bob Cherry is to organise, Andy Spenceley will register the event.

Interlopers are organising the following CATI's:

28th September	The Hermitage	Andy Spenceley
5th October	Liberton School	Scott Balfour

We need venues for our badge event in September '84 and the Scottish Relays in '85. Ken Owens is to liase with ESOC about the relays as they are organising the individual. several areas were suggested for the badge event these being: Cardrona North, Glenearn, Lomond Hills, Normans Law & Tentsmuir. Andy Spenceley is to write to Roxburgh Reivers about using Cardrona, St. Andrews University re. Lomond Hills and Normans Law, and Grant Carstairs re. Tentsmuir.

6) Things to Buy

Ken Owens will buy a norwegian 'Regnly Combi' tent for c. £200 to use as a club tent unless he hears from another manufacturer in the very near future. Ken has had several quotes for T-shirts all around £4 per shirt, he is going to buy whichever seems best.

Terrain Sports are forwarding samples of O-suit material to Pete Couldrey. He is going to order 2 doz suits once he has seen the material.

7) AOCB

i) The club is planning a tour to the French 5-day at Bordeaux 4-8th July. Ken will coordinate entries.

ii) Robert Paterson is making a club kite. The cost will be about £7.

iii) Ken is to ask Scott whether he is still willing to be equipment officer as he is no longer on the committee, and also whether he is willing to keep stocks of all the Interloper maps.

The next meeting will be on Monday 7th November at 8-00pm at Steve Terry's house: 127 Spottiswoode Gardens, Midcalder, West Lothian
