1) Matters arising from previous minutes

We have received the tent. EUOC want to borrow it for BUSF (31st March, 1st April) - it was decided to levy a charge of £5.

2) Secretary's report

i) I have received the new advertising rates for CompassSport.

ii) Orrell R.U.F.C. have sent details of a nationwide competition designed for Sports Clubs to raise money. We decided not to participate at the moment.

3) Treasurer's report

i) 2000 copies of Roger Van der Steen's map of Colinton Dell have been printed at a cost of £198.

ii) The club balance is now £526.

iii) Scottish Life have donated £250 to be used for mapping in the S.E. area. Unfortunately, the money came too late to help with the Colinton Dell map and we have no other maps in production and so can't claim a share.

4) Events

i) Interlopers Badge Event - 30/9/84.

Andy Spenceley has written for permission to use Norman's Law.

Mike Burton has volunteered to be the Planner.

It was decided to have two people to organise the event. One in overall charge, the other to deal with administration such as entries, producing start lists etc. Pete Woolverton is to be the entries organiser and his address will be the contact address.

Entry fees :				
	Pre-entries	£1-30 (senior)	65p (junior)
	EOD	£1-60 (senior)	80p (junior)

ii) Scottish Relays '85

Ian Beck (ESOC) will contact the landowners of Balmaha.

iii) Tayside '85

Officials will be split between us, LINOC and ELO. Ken Ovens is to get in touch with both the other clubs to discuss job allocation.

iv) CATI's

We decided it was a better idea to run colour coded courses in the evenings than just straight CATI's. Hopefully, they will be split between ESOC and INT on Wednesday evenings (5pm-7pm) in May, June and September. Ken Ovens to contact ESOC and LINOC.

Pete Woolverton volunteered to organise one in May/June. Andy Spenceley volunteered to organise one in September.

iii) Skittles evening at the Sheeps Heid on Monday 18th June.

6) A.O.C.B.

i) ESOC/INT relationship.

Ian Beck wants to send a questionaire to members of both clubs asking

a) Do you want to amalgamate?
b) Do you want joint newsletters?
c) Do you want joint socials?

Steve Terry is to liase with Ian Beck over the wording of the questionaire, which will be included in the newsletter.

ii) Juniors

There has been a recent increase in junior membership, mainly due to the efforts of Pete Woolverton. To encourage these juniors, it was decided to enter the next CompassSport Cup and to enter teams in the Scottish Relay Champs. It is planned to make the Scottish Champs weekend, a weekend away for juniors (and seniors) - perhaps staying in a Youth Hostel. Steve Terry is to advertise the weekend in the newsletter - names to be given to Pete Woolverton by 6th April.

iii) Pogo Paterson is to take on the task of shifting through results to list club members for the newsletter; in particular junior members. He also volunteered to write a Junior column for the newsletter.

iv) The A.G.M. is to be on Thursday 31st May.
Pete Couldery is to book the meal, if possible at a place where we can hold the meeting as well.

v) Pete Woolverton is to buy new controls and punches (c. 30 & 60 resp.) - perhaps at wholesale prices - and Ken Owens is to buy a new clock.

The next meeting will be on Monday 16th April at 8-00 pm at Pete Couldery's flat; Top Flat L, 28 Mardale Crescent, Edinburgh
