INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

FIRST COMMITTEE MEETING, NINTH YEAR — MONDAY 11th JUNE 1984, 8-00p.m.
41 SWANSTON PARK, EDINBURGH , EH10 7BR

Present: B.Cherry, I.Lamont, A.Spenceley, K.Ovens, P.Patterson, M.Wood, P.Woolverton, C.McIntosh.
Apologies: P.Couldery.

1) Matters arising from previous minutes
i) The date for our badge event on Normans Law has been changed to 23/9/84 in order to give ESOC the 30th for their badge event.
Bill Gauld (ESOC) has agreed to be controller.
ii) 60 punches have now arrived and the controls have been ordered.

2) Secretary's Report
We need to find an assistant organiser for Tayside '85.

3) Treasurer's Report
The club now has £341, which should be considered the minimum amount we can allow the balance to get. We need to make a profit from our badge event. The subscriptions are enough to cover administration and the newsletter.

4) Events
i)Normans Law Badge Event.
All officials have now been appointed. Pete Couldery has drawn an advert and is putting it in the next 2 issues of Score. We will try to distribute information sheets at summer events such as the 'White Rose' and at the Edinburgh Marathon.
It was decided that we would advise Bill Gauld that we would prefer to combine age classes in 10 year age groups above M/W35.
ii) The Club Championships are being held on Wednesday 13th June in Colinton Dell in the form of relays. There will be a mass start at 6-45p.m. and the club champions will be the fastest on each leg. Bob Cherry has sent details to people in Interlopers who don't normally turn up and suggested buying melons as prizes, which was agreed.
It was decided to charge 40p entry fee, the maximum allowed levy-free. The maps cost 17p each.
iii) Scottish Relays '85.
Bob Cherry is to investigate the possibilities of revising the Balmaha map so that we could use it for another event at a later date.
iv) Colour Coded Events.
The September Colour Coded Event will be at Selmuir.
After some discussion it was decided to get schools more involved in the evening Colour Coded series.
v) Calum McIntosh is to look into using Kinneil Wood for an autumn training event in October or November.

5) Socials
There is a skittles evening at the Sheep's Heid on Monday 18th June and a Bar-B-Que at Yellowcraigs on 13th July. It was decided that Pete Woolverton would book a school minibus to transport people, especially juniors, to the Bar-B-Que.

6) AOCB

i) Bob Cherry is to take over the job of transport coordinator- anyone short of transport to contact him. Spaces are often available with Pete Woolverton or EUOC. Ken Ovens is to mark in the newsletters the events which EUOC are taking a bus to.

ii) Questionaires. 18 replies have been received to date . The replies have been split 50/50 on whether to merge with ESOC, but are 100% in favour of a joint newsletter.
The results of the survey will be discussed at the next committee meeting.

iii) Mapping.
Bob Cherry suggested that the club should become much more active in the mapping field, as it is an area we have neglected in the last few years. The club first of all needs a mapping coordinator to look for suitable areas to map.
To encourage people who are keen to learn about mapping, Ian Lamont is to investigate setting up a mapping course in September.
Pete Woolverton has permission to map Ewe's Hill, near Stow in the borders. He suggested it would be suitable for a Lothian-O-League. This will be looked into once we get some more mappers.

iv) Pogo Patterson is to produce a technical manual containing instructions on how to assemble the club banner. This follows many people failing the Interlopers intelligence test of putting up the banner.

The next committee meeting will be on Monday 13th August at 8-00p.m. at Bob Cherry's flat: 46 Strathearn Road, Edinburgh, EH9 2AD.
