INTERLØPERS

ORIENTEERING CLUB • EDINBURGH

SECOND COMMITTEE MEETING, NINTH YEAR — MONDAY 13TH AUGUST 1984, 8-00p.m.
46 STRATHEARN ROAD, EDINBURGH, EH9 2AD

Present: B.Cherry, C.McIntosh, P.Patterson, K.Ovens, A.Spenceley, M.Wood, P.Woolverton.
Apologies: I.Lamont.

1) Matters arising from previous minutes
Change 6(ii) - replies to questionaire - to:
$\frac{1}{3}$ for merger, $\frac{2}{3}$ against merger;
$\frac{2}{3}$ for joint newsletter, $\frac{1}{3}$ against.

2) Secretary's Report
I haven't yet heard any details about the CompassSport Cup and will write to Ned Paul for information soon.

3) Treasurer's Report
Ian Lamont has resigned due to moving to Carlisle. He will keep the cheque books until a new treasurer is found. Several names were mentioned as possibilities for treasurer and it was agreed to ask Hilary Fairlie and Steve Terry.

4) Events
i) Normans Law Badge Event - no problems reported.
ii) Evening Events.
ESOC are organising a Colour Coded event at Riccarton on 12th September. Interlopers are to organise a CATI on 19th September at Colinton Dell (N.B. Venue since changed to Blackford Hill). It was decided to ask Sarah Wood if she could organise as she can get there early.
These evening events are aimed at schools, with starts from 4-30p.m.
iii) Scottish Relays '85.
ESOC now want to use Balmaha for the individual, which would leave us with Overton, near Dumbarton, for the relays. However, negotiations are still continuing.
iv) Autumn Training Event.
Calum is to ask for permission to use Kinneil Wood for a December event.

5) Socials
More coordination is needed between ESOC and Interlopers in arranging socials. Suggestions for socials include a Hash run (and meal) and a curling night at Gogarburn.

6) Mapping
Ian Lamont has written to Andy Curtis about helping at the mapping course, but has not yet heard from him. Bob Cherry will take over organising the course now that Ian has left, and hopefully it will be held sometime in the autumn.

7) AOCB

i) ESOC/INT Merger.

38% of members returned the questionaire, compared with 80% of ESOC members.
From the replies: 40% want a merger, 47% don't want a merger;
94% are in favour of joint socials;
70% are in favour of a joint newsletter;
80% would join a new joint Edinburgh club.

These results were discussed and it was agreed that we would try to have joint socials and newsletters. Ken to liase with Ros Beck for an experimental joint newsletter.

From the results neither club is in favour of merging at the moment.

ii) Lothian-O-League.

Pete Woolverton suggested that the league results should be published after each race to encourage juniors (instead of months after the series, as at present), and also some form of club competition should be introduced. These points to raised at the next S.E.Area meeting.

The next committee meeting will be on Monday 15th October at 8-00p.m. at Andy Spenceley's flat: (2FL) 78 Marchmont Road, Edinburgh, EH9 1HR.
