Hi,
Last INTeresting of the year … back in January. Some festive (and some not) items below to keep you busy over the holidays … and details of a couple of festive events too.

News

- If you haven't already, please sign up for Gift-Aid to make the most of your SOA / BOF subscription here: https://www.scottish-orienteering.org/news/you-can-help-scottish-orienteering-gain-up-to-10000-with-just-2-minutes-of-your-time/
- Thanks to everyone who came to the recent club strategy evening. Max has promised me he will be sending out a summary very soon!
- Check out the 'World Of O' website's Route To Christmas (today's route is here: http://news.worldofo.com/2019/12/18/route-to-christmas-day-18-2019/). There's a different long route choice leg to ponder over every day of Advent, with some great analysis. For the geeks out there, you can also find analysis of most World Cup events here too.
- Welcome to Will Rigg and Andrew McHarg, new members of Interlopers. Apologies to any other recent members I've not mentioned – this is a new feature.
- Lastly, a Christmas quiz with an orienteering theme, courtesy of Tay Orienteers / Ann Pearson. 51 marks available – 1 point for the official IOF definition and for any items marked with a '+', a bonus for translating to a word a boy might use (you'll understand when you read it). https://www.taysideorienteers.org.uk/documents/XmasQuiz2019.1pdf.pdf

Forthcoming Events

- ELO Festive Frolic at John Muir Country Park, Saturday 28th February
