

INTEResting #118 – 09 Nov 2023

Hi,

Good luck to Team Interlopers at the Compass Sport Trophy final this weekend in the Forest of Dean as we attempt to retain our title.

News and Results

- Our **Mortonhall local event** took place last weekend using new planner Joe Hudd's courses, and was a great success with 80 entrants. Thanks to everyone involved.
- Our next event is our **Livingston SOUL**, currently scheduled for Saturday 2nd December. Please note there is a chance this will need to be postponed due to problems getting an indoor venue and car parking. Will keep everyone posted via the club mailing list and the website.
- Well done to all our club juniors who took part in the **Scottish Inter-Areas competition** last month.
- Sheila Strain ELO is running a **FREE Event Safety Workshop** at the Outdoor Learning Service, Musselburgh Racecourse on Wednesday 6th December between 6.30 and 9.30pm. This is a requirement for coaches, organisers, planners, controllers and very helpful if you are a regular volunteer. Contact Sheila at sheilastrain@googlemail.com
- Congratulations to Louise Adams who has just started her role as the SOA's lead development officer – see story [here](#).
- Lorna has started the **Weekly S&C sessions** (Wednesday 6:30pm). You should have received details by email
- Don't forget to enter ESOC's Corstorphine SoSOL / **ESOA championships**. Remember, you don't just need to be in it to win it, you need to enter the right course, so pay attention when entering!
- **Selections:**
 - Well done to Lucy and Laurence Ward for their selection to the ScotJOS squad for the coming year. See <https://www.scottish-orienteing.org/news/2023-autumn-shenanigans-and-selections-announced-for-scottish-juniors/> for more details
