INTERLØPERS THIRD COMMITTEE MEETING, FIRST YEAR

10B FORRESTER PARK GROVE, EDINBURGH WEDNESDAY 11 AUGUST 1976 20.00

MINUTES

Present

Chairman	- Liz Mills
Secretary	- John Barrow
Treasurer	- Bob Stobie
Ordinary Member	- Steve Terry

Finance

The transfer of funds had not yet been effected. The move required the ex-Treasurer's signature on several forms, and Bob would arrange for this to be done. Once signed forms were available, and an account could be opened at Bob's bank, the Morningside branch of the Bank of Scotland, arrangements would be made so that cheques could be drawn on any two of the signatures of the Chairman, Treasurer, and Secretary.
John handed over to Bob the profit of £14.71 gained from the Norman's Law event.

Scottish Score Championships 1977

Liz reported that she had managed to get out to Culteuchar / West Dron to sound out most of the local landowners, and their reaction was generally favourable. Rumours had been heard that some club members had been for a training session over the area, and had reported very favourably on its possibilities as a Score area. Some thought was applied to the choosing of an Organiser for the event, and a short list of names was arrived at. John agreed to use this list, and to try to persuade someone to take on the job. Steve again stressed that there was very little time to produce a good survey, though the fact that there was an up-to-date O.S. contour survey of most of the area at 1:10000 was a distinct encouragement.

A.O.C.B.

1) It was reported that Carol McNeill had purchased some long-sleeved T-shirts on her recent trip to Sweden, and was offering them for sale to club members at £2.50 each.

2) The question of acquiring some headed notepaper for the club was aired. John agreed to try to obtain a quote for 500 sheets from the S.O.A. suppliers.

3) Steve noted that several mapping projects were getting under way, involving Robin Sloan, Carol McNeill, and Liz and Doug Mills.

4) The next Meeting was fixed for Tuesday 14 September at 20.00, to be held at 9 Bramdean Rise, Edinburgh.

The Meeting closed at 22.30.
