INTERLØPERS SECOND COMMITTEE MEETING, SECOND YEAR

RAF TRANSMITTING STATION, CUMMINGSTON THURSDAY 11 AUGUST 1977 19.30

Present
Chairman - Liz Mills
Secretary - John Barrow
Social Secretary - Hilary Smith
Newsletter Editor - Eileen Peck

Matters Arising from Previous Minutes

1) As a correction to the last Minutes, under "Future Commitments: 1978 Scottish Score .... ", for "Donaldson" read "Stobie".

2) Several ideas were mooted for using the probable surplus accruing to the Club from Highland 77. It was suggested that the money should go towards mapping effort - in particular, the acquisition of photogrammetric plots of interesting areas. Other ideas were the sponsorship of Junior Club Teams, and the purchase of Club equipment. The latter idea prompted the suggestion of the creation of the post of Equipment Officer, to be responsible for such equipment as the Club might acquire from time to time, the post to be separate from that of Secretary. Another suggestion was for the sponsorship of a Club Tour, but this was discounted on the grounds that it would favour only a few Club members, and would be insufficient anyway, since overseas travel costs were now so high. As an aside, it was mentioned that Donald Wallace was proposing a Coach Tour of Norway and Sweden for 1978, and individual travel costs would be of the order of £110 - anyone interested to contact him.

3) Future Commitments

The Whites had agreed to Organise the 1978 Score Championships.

Robin Sloan had contacted John about the 1978 Relay Event and a reconnaissance of Castle O'er. After contacting the S.O.A. Fixtures Secretary, it appeared that a date was available, 23 April, two weeks before the Scottish Weekend, for the Relay Event. This was acceptable to the Club, and Robin would be asked to confirm the date. He had also intimated that he planned to look over Castle O'er on Saturday 6 August, and would submit a report in due course.

Social Secretary

Hilary intimated that she wished to resign from this Office, because of the infrequency of her being in Edinburgh, and of the difficulties in communication from Ardentinny. Fiona Jolly had been approached, and was willing to assume the Office.

Come-And-Try-It Events in Edinburgh

A scheme of Club training sessions in combination with the above had been submitted by Carol McNeill and Geoffrey Peck, and brief details were outlined to the Meeting. It was agreed to seek a Coordinator for these sessions, and John was asked to contact, in the first instance, Valerie Thom.

Lothian O-League

A suggestion was made that the Club donate a trophy to this series of events, and this was welcomed. The Secretary would pursue the matter further with the S.E. Area Secretary.

Club Chairman

With Liz's impending retirement/resignation, it would be necessary to recruit a replacement. Ray Heyworth, not yet contacted, would be approached in due course.

Pending the appointment of a new Chairman, a decision on the next Committee Meeting was deferred.

The Meeting then broke up, and everyone recommenced training at the Highland 77 Barbecue at about 20.00.
