## ORIENTEERING CLUB • EDINBURGH

SIXTH COMMITTEE MEETING, THIRTEENTH YEAR

8pm, Monday 15th May 1989, at 2/4 New Orchardfield, Edinburgh

PRESENT: Jane Cherry, Janet Fallon, Ian McIntyre, Pat Squire, Charlie Walton, Christine Whalley

Janet chaired the meeting

1) Matters arising from previous meetings

a) Charlie reported that we have obtained a copy of the "Coaching Collection".
b) 5 teams were entered at the Scottish Relays, but 2 were incomplete on the day.

2) Secretary's Report

a) National Try Orienteering Weekend: details received, date (16/17 Sept.) clashes with Lothian O League. A saturday event may be possible; no action taken for time being.
b) SOA colour coded badge scheme: encouragement for clubs to participate from SOA, but not from LBOA. No action taken yet, committee unenthusiastic and agreed low priority.
c) Edinburgh District Sports Council newsletter/open day: details received, no action taken. Effort probably better expended elsewhere, but newsletter worth considering for future publicity.
d) Papers received from Development Officer: including Pat's junior development document, reports on FVO and MOR schools initiatives, and an interesting paper by Gareth Bryan-Jones on indoor training.

3) Treasurer's Report

a) Janet presented a draft of the accounts for the year and a number of matters were discussed:
   i) it was agreed that the total cost of the Archerfield maps should be counted as expenditure this year, i.e. the remaining maps should not be listed as assets as they are of uncertain value.
   ii) it was agreed that survey etc. costs for the Archerfield map should be taken from the "Mapping Grant" money.

## ORIENTEERING CLUB • EDINBURGH

3) Treasurers Report (cont)

iii) there were some questions around the stock of orienteering suits that still had to be resolved; Scott Balfour to be contacted.
iv) fairly large expenditures on entry fees and socials were explained by reference to the years activities.

b) Club subscriptions for the coming year were discussed briefly; an increase of 50p in the senior and family fees was suggested but no decision was reached.

4) Events

a) Loch Lomond '89: Ian reported continuing progress.
b) October badge event: Janet reported positive replies from 2 out of 3 landowners, and was awaiting word from the other. The event needs to be registered soon and other details sent to the SOA fixtures secretary.
c) Scottish Champs 191: Charlie reported little progress; land access is unlikely to be confirmed until after LL '89; the National Event form has not been submitted; no volunteer organisers/co-ordinators have appeared; Scott Balfour and Simon Thompson may be possible planners.
d) Summer Series: 2 of our 3 events happened fairly successfully. Janet appealed for help with the event on Holyrood Park on 7th June.
e) Training events: Pat reported a limited success at Arthur's Seat and indicated he was willing to put on another saturday afternoon event. Cammo on the 17th of June was suggested, to be advertised with AGM publicity.

5) Mapping

no activity

6) LBOA

a) Ian was unable to attend the last meeting due to a date mix-up
b) Lothian O League dates: January and March dates are available

6) LBOA (cont)

for next year, to be agreed between ourselves and LINOC.

c) LOL badges: clubs encouraged to stock badges - competition with SOA badge scheme? Little enthusiasm shown, no hurry for action.

7) Newsletter

The next issue will be after the AGM.

8) Socials

a) Meal at "Fat Sams" after the AGM: booked, deposit to be paid
b) John Mitchell offered to put on a bike-O in the summer

9) Juniors

Pat reported that Gordon Riemersma has been selected to go to Sweden with the Scottish Juniors this summer, and that 3 or 4 of our top juniors have received Local Council grants.

10) A.O.B.

a) AGM: room has been booked; Charlie to circulate agenda. Prospective committee members to be contacted.
b) Club weekend: Pat has booked accomodation in Kingussie for 8th/9th September (INVOC weekend) - total cost £30. A "club meal" was suggested for the saturday night. Publicity required; Pat will co-ordinate.
c) T-shirts: a new batch in time for the summer and the 6-day was suggested. Designs to be invited to be brought to the AGM.

---

Next committee meeting to be arranged at the AGM.
