

Craigmillar Castle Park Permanent Orienteering Course

Visit the Interlopers Orienteering Club website for more information on orienteering including events as well as other permanent courses. Follow us on Facebook and Instagram

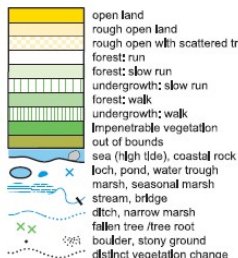

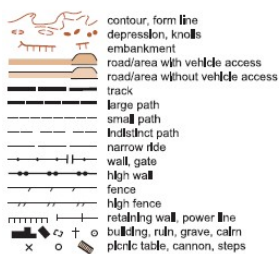

0 120 240 metres

magnetic north

Start / Finish point

Scale 1:5000
2.5m contour interval

From the Start point (the Triangle on the map), navigate round the course to the Finish (double circle on the map), finding the square white/orange orienteering markers at the points in the order below. Use the number in the second column to check you have found the correct marker.

For more Permanent Orienteering Course maps, visit www.goorienteeing.org.uk

Please respect the areas marked 'as out of bounds' (line shading). Do not cross the fence into the 'pond' area to the south of the castle. Also be aware that grazing livestock may be present around this area. Do not park in the Castle carpark.
