

# The Interloper

www.interlopers.org.uk

Happy Christmas to you all!

## Top small club in the UK!

Some of the winning Interloper team, sporting some very stylish buffs

**Join the last 2 training runs of the year. The perfect antidote to all that Christmas overindulgence**

Start 18:30 prompt at designated meeting point. Anyone that participates in any way does so at their own risk and are responsible for their own safety. No permissions have been arranged.

Date	Training run	Grid ref	Bite / drink

22/12/2016	Braids & Mortonhall: From N side of high point of Braid Road -4	NT244694	Soup at Paul's

**Interlopers Club Championships and Christmas Party**  
 at EUOC's Big Weekend  
 Don't miss it!  
 21/22 January 2017

**O-Duko for Interlopers**

O-kay! So, something to keep one's O-brain active while the body is slumped digesting mince-pies. It's just like Su-doku, but with a devious (and quite possibly infuriating) twist: instead of numbers, there are 9 control symbols. Complete the grid by making sure each row, column and square have one (and one only) of each symbol.
